John Alfred Miller III, nicknamed "Jack," was born in the Machine age. He was educated in the eastern and middle western sections of the United States. After moving to Mayville, and continuing his high schooling, he came to Morehead to continue to annoy his schoolmates. He speaks French quite fluently, and is interested in anything French, including potatoes. He is a member of several campus organizations; among them is the Trail Rider. He is quite important there because his tongue was the one that put the "dash" in "Blissard." At present, he is living in Men's hall and is making his spending money.

## Cedarville Is MC Eagles Opponent Tonight

Tonight the Blue and Gold squad takes on the elevenfold for the current hardwood season in the form of Cedarville, a tough Ohio school.

Basketball teams from the two schools have met twice previously and last year the Morehead lads won out by a four point margin.

The victory has practically the same outfit this year that played last year. It is one of the largest teams that the Eagles have met.

Captain Johnson announced that his starting lineup would consist of Dunham and Cooper at forwards, Penick at center, and Hambrick and Johnson at the guard positions.

The Eagles have met four other Ohio teams this year and gained only one win out of the four tilts. In these games the Big Blue has scored 146 points to their opponents' 163.

the game with the score 20-7 in their favor. Mexico then started their greatest scoring threat of the game by scoring fourteen points in five minutes while Morehead was getting five. The half ended with Morehead leading 34-21.

**Morehead Opens Up Second Half**  
When the second half opened, it looked as if Mexico was really going to turn on the heat.

They made two successive field goals, then Duncan made a crisp shot and a free toss. These three points were all that Morehead scored during the first nine minutes of the second half.

From this point on Morehead began taking advantage of their scoring opportunity and foul shots until the final gun.

**Twenty-Two Points Called**  
The Mexicans' exhibition of floor work resembled football more than basketball. They had a total of 25 fouls called on them.

Four of their starting five fouled out in the second half. Morehead had seventeen fouls called on them. Johnson fouled out in the early minutes of the

The freshmen journeyed to Pikeville junior college last Friday night and again suffered defeat for the second time this season by a score of 67-40. The freshmen are getting so disheartened or discouraged that even Breckinridge is holding them to a close score in scrimmages.

The Mexicans will receive a grand reception tonight if they try to use any rough stuff on UK. The university has a few rough tricks of their own. If you remember last year when Morehead was playing UK at Lexington, Lipscomb of Vanderbilt was going in for a crisp shot and Staker hit him so hard he was unable to play for a week.
